

CPAs Specialized in the Tech Industry

STRENGTH IN NUMBERS SINCE 1983

Rivero, Gordimer & Company, P.A., has developed a team of CPAs and advisors who have a passion for technology and innovation.

Our specialized team is experienced in helping tech companies with complex federal and state tax compliance issues; timely audit and assurance services; claiming research and development tax credits; the management, licensing, and valuation of intangible assets; and implementing tax efficient exit strategies.

We can help you with tax, audit, and accounting solutions including complex business valuations, mergers and acquisitions, and business consulting services to help you and your business thrive in today's ultra-competitive market.

If you would like more information about how we represent the tech industry, please contact a member of our Technology Committee.
