

# CPAs Specialized in the Healthcare Industry

STRENGTH IN NUMBERS SINCE 1983

**Rivero, Gordimer & Company, P.A. (RGCO) understands the healthcare industry** from our many years of advising providers such as physician groups (primary care and specialty care); ambulatory surgery centers; multi-specialty clinics; home-care companies; assisted living facilities; revenue-cycle technology businesses; Federally-Qualified Community Health Centers (FQHCs); and dental practices.

**Keeping up with industry insights** enables us to partner with our clients and advise on the challenges presented by fragmented reimbursement systems and a long-discussed transition to quality outcome-based compensation systems from the current productivity models.

Our specialized healthcare team frequently consults on joint ventures, physician compensation plans, maximizing practice cash flow, and non-qualified deferred compensation plans.

If you would like more information about how we represent the healthcare industry, please contact a member of our Healthcare Committee.
