

# CPAs Specialized in the Not-for-Profit Industry

STRENGTH IN NUMBERS SINCE 1983

## Focus on Your Mission Rather Than Your Financials

The needs of not-for-profit organizations are very unique. For 40 years, we have been an industry leader serving more than 70 local and national not-for-profits annually, including civic organizations; health and welfare agencies; schools and educational institutions; arts, cultural, and religious organizations; trade and professional associations; and private foundations.

Our team has the expertise, including ensuring compliance with *Government Auditing Standards* (Yellow Book) and the Uniform Guidance, to give you peace of mind and let you focus on your mission, rather than your financials.
