

Valuation & Advisory Services

STRENGTH IN NUMBERS SINCE 1983

At Rivero, Gordimer & Company, we don't just document your past; we help you plan your future.

Sometimes the future may be less clear than you would like. Whether it's business succession planning, assessment of growth opportunities, dispute resolution, or acquisition/buy-out offer assessment, RGCO's Valuation and Advisory Group experts can help guide you through these and other complex business situations.

Our advisors are proficient at learning and understanding your unique business model to consult on a myriad of business challenges. We work closely with you to provide sensible solutions to get you through your most difficult challenges. We have been a trusted resource for 40 years to businesses large and small throughout the U.S. We perform valuations of businesses, valuations of business interests, and valuations of intangible assets, as well as guidance through various business challenges.

Businesses across industries, from energy to hospitality and almost everything in between, choose to partner with us to access our extensive valuation and advisory experience. We provide tailored solutions that include best practices, relevant research, and industry resources similar to what you would find with larger firms but with a local, more personalized experience.

For more information, please contact a member of our Valuation & Advisory Team.

When working with our advisory team, we help you navigate complex issues so you can make strategic business decisions necessary to thrive and add value in today's competitive market.

We support our clients with customized advising strategies and offer in-depth knowledge in multiple areas, including:

- Business Appraisal
- Intellectual Property / Intangible Asset Appraisal and Licensing
- Transaction Advisory Services
- Quality of Earnings / Financial Due Diligence
- Litigation Support Services / Damage Determination
